## **Joy is the flag flown high**

From the castle of my heart,

From the castle of my heart,

From the castle of my heart.

Joy is the flag flown high

From the castle of my heart,

When the King is in residence there

So let it fly in the sky,

Let the whole world know,

Let the whole world know,

Let the whole world know.

So let it fly in the sky,

Let the whole world know

That the King is in residence here.
