## Monday 11

Bible Society, Dominican Republic: In the Dominican Republic the Bible is one of the assigned textbooks in schools. Because of this, pupils want to have their own Bible, but for many this is not possible due to the poverty. Within the school environment young people can often lose their values or develop bad attitudes or behaviour. Many can end up in trouble. The Bible Society believes that these children and teenagers will have the opportunity of a better future if they can read the life-changing Word of God for themselves. Pray that the Lord will open His Word in a fresh understanding and for a spirit of openness and unity.

### Wednesday 20

Midweek Service: Give thanks for the recently re-established Midweek Service and for those who delight to attend to worship the Lord and share fellowship with each other. Give thanks also for the mutual love and encouragement which is given and received through the fellowship.

### Thursday 21

The Bible Society, Scotland: Here in Scotland the Scottish Bible Society's mission is to put the Bible into people's hands and hearts. This is done by working with the Church in Scotland to improve Biblical knowledge and understanding through meaningful engagement with the Bible. This in turn contributes to the growth of people's relationship with God. To this end they are producing innovative and contemporary Bible resources in print and also in new formats such as audio and film, reaching younger generations. Please pray for the Bible Society's Ministry Team as they create new resources and publications to see lives transformed through the Bible.

### Friday 22

The Bereaved: Remember those who have lost loved ones, especially those in recent days and personally known to us. Pray for parents who have lost a little child through miscarriage or stillbirth or in infant years. Remember those who have suffered through sudden trauma. Pray that the Lord in His compassion will be close to them especially through dark and difficult days and that those surrounding them may be a quiet and sensitive support.

### Saturday 23

The Leprosy Mission: Pray for The Leprosy Mission Scotland. Its role in the global fellowship as a Supporting Country is to uphold its partners around the world financially, practically and prayerfully to enable them to deliver the care and support that it is needed. Pray for an increase in responses from volunteers, churches and other groups from across the country to stand in the G.A.P. (Giving, Acting, Praying) like Nehemiah did in Ch.4 v13 to protect and uphold the people - today those who are vulnerable and affected by leprosy, often with little, if any, other support or protection in many countries.

### Sunday 24

The Church in Scotland: Pray for the Church in Scotland today that it will hold fast to its Scriptural authority and honour the Lord in worship and practice. Pray for the renewing power of the Holy Spirit to refresh and revitalise the life of the Church in these days, especially after being under Covid restrictions. Pray for God's Word as it is preached today that it will take root and bear fruit in peoples' hearts and lives to bring people closer to God and change lives. ## Thursday 28

Scottish Parliament: Pray for the Scottish Parliament in its governance of the

nation's wellbeing and especially as a new bill aimed at legalising assisted dying in Scotland is brought before the Parliament. Pray for MSPs as they prepare to consider all the issues raised by this Bill - primarily the long-held stance of sanctity of life, and the proposed desire to change the law to access safe and assisted dying to end life with the consequences that will have. Previous attempts to change the law to enable assisted dying have failed. Pray especially for all those Christians who are submitting contributions to the debate that our heritage based on Christian values will be heard and acknowledged. Remember Christian healthcare staff as they seek to honour the Lord in their desire to uphold the sanctity of life and also those working in palliative care as they are deliver end-of-life care everyday with compassion and kindness to those facing death and their loved ones.
