## **We see the fruitful harvest**

our gracious God provides,  
and how, in his abundance,  
our needs are satisfied.

He sends the yearly seasons,  
and feeds with joy and care;  
pure light and living water  
poured out for all to share.

This world of revelation  
unfolds before our eyes,  
the birds sing out God's glories,  
His wisdom fills the skies.  
The seeds are sown to teach us  
of death that leads to life.  
The fruitful trees remind us  
to live each day in Christ.

There is another harvest,  
the workers are so few.  
We'll tend the seeds he's planted  
and see his word bear fruit.  
Creation groans in longing  
for earth to be restored,  
that day of celebration:  
the harvest of the Lord.
