From the Manse

We've been looking at the Apostle Paul's letter to the Romans for quite a few weeks now on Sunday mornings at St Columba's Hillhead. It is a wonderful 'Course on Christianity'. Paul sets out how we become a Christian, how we are to live as Christians, and what our destiny is as Christian people. He tells us of God's many blessings to us, and most of all the gift of his Son, Jesus Christ. I am finding going through the book of Romans so helpful for my own faith in Christ. I hope you are too.

It is perhaps hard to imagine, when Paul is in full flow proclaiming the Gospel, that he was not always like this. There was a time when he was a great persecutor of the early church. But God, in his grace, led Paul to Himself on the Road to Damascus. As Paul put his faith in Christ, he became a new man.

When Paul arrived in Jerusalem, the question in so many of the Believers' minds was – can Paul the Persecutor really be a Christian now? It is at this point that a man called Barnabas (which means 'Son of Encouragement') took Paul to the other Apostles, and reassured them that Paul's faith in Christ was the real deal. Paul had 'seen the Lord' and 'preached fearlessly in the name of Jesus' (Acts 9:27). Barnabas's encouragement that Paul was indeed a genuine Believer, and an Apostle of Christ, was hugely significant in Paul then being welcomed as a fellow-Apostle.

What a difference an encouraging word can make! Barnabas was an encouragement by name and an encouragement by nature. He went on to accompany Paul in the early part of his ministry.

We all have different gifts to use for the benefit of the church. Some of these are more prominent than others. All are important. The gift of encouragement can be such a blessing to others. A word of encouragement can affirm someone in their service. It can help them see that what they do is worthwhile.

From the Manse (cont'd)

It can even motivate them to carry on. Some people are especially good at encouraging others. But we must all encourage one another in the family of God (1 Thessalonians 5:11).

Take time to look around the church and see the many ways that people serve the Lord and one another. Take time to say, 'thank you' and to affirm others in their service. Let's encourage one another to grow in our faith in Christ, perhaps as we talk about something mentioned in the sermon over tea and coffee after the service is over. Let's go out of our way to encourage those who are going through difficult times.

And here's a final thought. Another way we can encourage one another is by focussing on the worship of God and the fellowship of His people on a Sunday. It is a day of rest.

Your minister and friend,

Philip

Thank You

Thank you so much for the beautiful bouquet of flowers I received on Sunday 14th January after my return home from hospital. It is a lovely selection of roses, lilies and carnations, which creates a great fragrance throughout the house.

Thank you too for your prayers, your good wishes and your many cards during the past few weeks. It is a wonderful thing to know that so many people are thinking of me and wishing me well.

Rena Stewart.

New Members

We have been delighted to welcome Mike Hall and also Rachel and Chris MacLeod into membership here at St Columba's Hillhead.

Church Membership

If you would like to discuss membership here at St Columba's Hillhead please speak with the Minister.

The Upper Room

Like other members of the congregation I have used a few different Bible readers over the years, but I am most happy with The Upper Room. Different people may have different habits, but I like to start my day with it. Before I allow myself to enjoy the reading, I like to see who has written today's daily reading and what country they come from. I find it easy to understand, yet I can be challenged by the reading and the writer's personal reflection.

A friend of mine recently began to show an interest in finding faith and asked to meet for a chat. I passed them a copy of the current issue of The Upper Room and was so pleased to hear back that he, too, is now benefitting from a daily read of The Upper Room. So I can certainly recommend it.

Prayer at St Columba's Hillhead

It is good to see so many people making use of the Church Prayer Diary. This is available every month at the Sunday and Midweek Services. It can also be downloaded from the church website, **www.kirkintillochstcolumbas.org.uk**

If you don't already make use of the Church Prayer Diary, do consider doing so. We already print around 30 copies each month, but it would be even better to have to print more!

On Thursday evenings (term time) at the manse, all are welcome to join in a time of prayer at 7pm. We start with tea and coffee before moving to prayer. We are usually done by around 8:15pm. Please do join us then if you are able.

...if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land. 2 Chronicles 7:14.

Holy Week and Easter Services

We are glad to be planning three Holy Week Services this year in partnership with St Mary's and St David's Churches. Services will be held at 7:30pm each evening in the following locations:

Wed 27th March,

Service at St David's led by Rev Philip Wright

Thu 28th March

Service at St Columba's Hillhead led by Rev Ruth Morrison

Fri 29th March,

Service at St Mary's led by Rev Derek Peat

Please note that the Holy Week Services will not be available online.

Also on Good Friday, Fri 29 March, ACTS (Churches Together) Lenzie & Kirkintilloch is arranging a 'Walk for Witness' from Lenzie to Kirkintilloch, culminating in a short service at St David's Church. The walk will start at 10:15am from Lenzie Old Church, stop at Freeland Place at 11:00am and finish around noon in Kirkintilloch.

There is also a short service at 8am on Easter Sunday morning at the Hillhead Halls. This will be followed by a walk to St Mary's Church, with Bible readings and worship on the way, where there will be breakfast and worship.

Our Easter Sunday Morning Service is an All Age Service It will be held at St Columba's at 10:30am.

We also have an Easter Songs of Praise at 6:30pm at the Hillhead Halls, where we look forward to singing some favourite Easter hymns and songs and hearing the Gospel writer's accounts of Jesus' resurrection.

Easter Café

We are looking forward to holding an Easter Café at the St Columba's Halls between 10am and 12 noon on Saturday 30th March. Join us for a fun-filled morning for children and adults alike!

Please do invite friends and neighbours.

Alongside the Café, there will be Easter crafts and games for children. We are also planning to have an Easter Reflection and an Easter Egg Hunt for children.

Midweek Service

The Midweek Service continues to be a great opportunity to meet together for worship in the middle of the week. It takes place at 10am on Wednesday mornings in the Small Hall at St Columba's.

The service lasts for about 35 minutes, and we are able to sing, pray and learn from the Bible together. We have been looking together at the book of Ruth most recently. After the service, there is the opportunity for fellowship over tea and coffee for those who can stay.

The Midweek Service has provided an opportunity for some who are unable to come to the church service on a Sunday morning to do so in the middle of the week. It may be there are others reading this who cannot come on a Sunday but could on a Wednesday? If so, you'd be very welcome.

We are planning to celebrate communion together at the Midweek Service on Wed 27 March. We then expect to take a break on Wed 3 and 10 April before resuming on Wed 17 April.

The Leprosy Mission

Just before Christmas, it was decided to mark World Leprosy Sunday, which was on 28th January. We tried to get a speaker to visit the church, unfortunately the office in Stirling was closing at the end of January so we were unable to get one. Philip managed to show a video about leprosy and thereafter a collection was made on behalf of the Leprosy Mission. This has realised the sum of £438 which is superb. Together with other monies recently collected we have been able to send a cheque for the sum of £550.00 to the Leprosy Mission.

This is a fantastic amount and the money will certainly be well used, so thank you very much to everyone who has donated this money.

Whilst there are still the small blue collecting tubs, there are now cardboard collecting boxes which are in the Leprosy Mission box in the church vestibule. There are also gift aid envelopes available and if you wish to make a donation at any time, please take an envelope and place it in the collecting plate which will be passed to myself.

I would like to mention a super saver we have had recently. Neil phoned me after New Year and he had been to visit his brother in law over the festive period. He had a big bag of coin which he didn't know what to do with, so Neil mentioned the Leprosy Mission. He came home with this bag of money and I duly took it to the bank. The coins were counted and there was the sum of £29.00 in 2p and 1p pieces. Well done to Neil and indeed his brother in law for this collection. We look forward to the next visit to his brother in law.

Once again, grateful thanks to everyone who has donated all the money to this very worthwhile cause and for the continued support with the ongoing collection of loose coin.

Sunday Club

It is great to have Sunday Club with us during the regular Sunday morning services at St Columba's Hillhead. Sunday Club meets each week and has recently been looking at the life of David. It has been great to have some siblings of Noah's Ark children come and join us at Sunday Club.

We don't currently have Bible Class for secondary school aged young people, but would be glad to set this back up as necessary.

Mens Group

On Mondays from the start of the 2024 session the group have been concentrating on the various competitions; Darts, Table Tennis, Pool, Snooker, Carpet Bowls and Dominoes.

We have been playing and completing each of the rounds under the watchful eye and pressure of our Games Co-ordinator, Drew Watson.

Drinking tea or coffee, eating biscuits and putting the world to rights are not included as part of the competitions! That is a continuing and ongoing duty that everyone excels at.

Each of the competitions are going well, so far, culminating in the quarter finals, semi's and finals during the next few weeks. Thereafter it will be time for our AGM, followed by the Presentation Dinner, to be held this year on Wednesday 20th March at Hayston Golf Club, (Venues appear to be restricting their Monday availability). This will conclude our 2023/2024 session.

Everyone is looking forward to embarking on their individual Spring and Summer activities prior to returning in the Autumn.

John Clayton - Chairman

The Guild

By the time you will be reading this we will be approaching the end of a very successful session with an excellent attendance each week.

In January we had our first Burns Night post Covid, which proved to be a great night enjoyed by many of our congregation. The Haggis was piped in by Graham Bell and was addressed by Ian Gibb. The entertainment was provided by The Anderson Singers. Another very popular event was our Annual Quiz hosted by Allan Geekie. Thereafter we are all looking forward to brighter warmer days ahead.

Well, how do I begin this latest report?

As you will remember we have been struggling with numbers this session with our total boys attending slowly growing to ten over the year. This was the case up until the beginning of February when a further ten new starts joined us on the same night. Why so many at the one time you may ask? Simple answer, one boy wanted to come along and when his mother mentioned it to other mums at school all the male population of Primary 1 at Gartconner decided to come along too.

A noisy, chaotic but great night was had by all so much so that all our new starts have taken joining forms and are keen to continue. Therefore, we have gone from low numbers to having a waiting list for new starts. Our thanks to all of you who have remembered us in your prayers over the current session.

Our thanks also go to our link elder Jo who came to visit us on the second night of twenty boys and as always got fully involved doing crafts and playing games with them. Jo has always been and remains a tremendous support for the section.

We look forward to working with the new starts and welcome them into the wider church family. Hopefully we will help them to develop into confident young boys and learn about Christian values and the love of our Lord Jesus

We are nearly reaching the end of this session and our longer serving boys are well on the way to achieving their programme awards with just a few loose ends to tie up. These are mainly outdoor activities and with the lighter nights just round the corner they should be achievable.

The new starts obviously will not achieve their badges this year however they have started completing the tasks required and with a bit of luck they will achieve their green badges during next session and be able to start working towards their blue badge early next year with the hope of catching up to a full complement of badges by the time they move up to Junior Section.

Meanwhile may we wish you all a blessed Easter and the joy of warmer weather.

Where has the time gone! It only seems like yesterday we were looking forward to Christmas and spending time with our friends and families!

As we look back over the last couple of months, it's always good to reflect...the boys' attended the Battalion Christmas movie night where they were entertained watching "Deck the Halls", along with some juice and hotdogs, the boys thoroughly enjoyed this event!

We also had our Christmas party where they enjoyed more food, games and had lots of fun!

After Christmas we have spent some time learning about Noah and his ark, creating pictures of how the boys imagined the ark to be.

We have also tried out some figure marching and some new games including head, shoulders, knee's and cone, Some touch rugby and even tried to catch the feathered object!

Junior Section (cont'd)

The boys' helped celebrate Chinese new year by creating some very colourful dragons and lanterns! Check them out on our facebook page! www.facebook.com/1stkirkintillochbb

Our session so far has been fun filled and its encouraging to see even later on in the session our numbers are strong and actually increasing! Welcome to the new boys' who have joined for the first time!

It was nice to see Pat Muir our link elder come along a few weeks ago and see how well the section is doing. Hopefully we get a good report.

Congratulations to Ross Harrison and his partner Katey on the birth of their daughter, I'm sure the boys' all enjoyed meeting her when she came along to visit!

We are all looking forward to the lighter nights coming in and hopefully we can get back to doing some activities outdoors.

Coming up soon is the Strathkelvin Battalion overnight at INNOFLATE in Cumbernauld, with a great many of our section hoping to attend and enjoy an unusual oportunity.

Hope everyone is looking forward to the clocks changing and seeing what delights spring time will bring.

We are now in the spring term of our BB calendar and although our number remain low weekly attendance has remained high. Thank you to everyone who supported our Christmas Card delivery service as a result we were able to donate £350 to East Dunbartonshire Foodbank. By popular demand our Christmas activity was once again a film night with a chip shop tea, both the film and the various selections of chip shop fayre were enjoyed by all.

Following his wedding Keith has moved to the east side of the country and while he will be missed by leaders and boys alike, we wish him and Hanneke well. One of Keith's last badge classes was to take the boys through a very interesting and helpful First Aid theory class on CPR. Continuing the First Aid theme we followed up the theory of CPR with practical sessions using the dummy known as Resusci Annie.

Lego building and Lego electronics continues to be popular, with some able to build quite complex Lego cars very quickly. Our table tennis, pool and board games continue to be popular. The God spot continues to look at current issues and the Christian response along with bible topics such as the Beatitudes v the Ten Commandments (The Old Law and the New Law).

Dillon and Daniel have recently attended a Building the Skills course, which is a requirement for their President's Badge, which they are both now well on the way to obtaining.

5th Kirkintilloch Brownies

Hello from the Brownies! We have been busy these past months learning about first aid, the oceans and how we can take care of them, plus the creatures who call the sea their home.

In December we joined in with our District to go to the cinema to see "Wish", the new Disney cartoon.

Kirkintilloch East District got together again to celebrate Thinking Day on 22nd February. Rainbows, Brownies, Guides and all the leaders renewed their Promise as well as completing challenges and crafts based on guiding throughout the world and of course there was singing!

Mother's Day and Easter give us the opportunity to do craft work so March will be a busy month.

We hope everyone enjoys the Easter holidays.

Christian Aid Report Spring 2024

Christian Aid Week this year will take place from Sunday, 12th to Saturday, 18th May 2024. Donation envelopes will be available on Sunday 5th May and can be returned to the Church on the following Sundays.

The annual Christian Aid Service for all the local churches will take place in Hillhead Church Halls during April and the date will be advertised in the Sunday sheets once it has been confirmed.

The appeal for donations for humanitarian aid for the people of Gaza is still ongoing and details can be found on the Christian Aid website.

Other items on the website include an update of the support being offered to the people of Southern Turkey and North West Syria in the aftermath of the two major earthquakes which caused so much devastation in February 2023.

There is also an item which details the problems being faced because of climate change by the flower growers in Kenya, Columbia and The Netherlands. Many of the flowers, particularly roses, that we purchase in our supermarkets are grown in Kenya and severe drought followed by sudden heavy rainfall has caused many plants to die severely affecting the livelihoods of the growers.

Many poor communities throughout the world depend on the work of charities like Christian Aid to provide relief and fund projects which help them to feed themselves and educate their children.

The Friendship Club & Following Jesus Group

Both groups have now settled back after our very enjoyable Christmas outing to Pro Bowl.

The Friendship Club are learning about Moses at present. We have become aware of God's special plan for him since his birth and that it was God who guided the princess to find his basket hidden in the reeds. We will now follow God's plan for Moses' life, including the plagues and the parting of the Red Sea.

The Following Jesus Group have now had only one meeting, the theme of which was Love - "Love one another as I have loved you". It followed that the craft that evening was a type of Valentine card, which said on the front, "Who Loves You" and Inside "Jesus and?...Loves You".

Prospects Across Scotland have sent a huge 'Thank You' to St Columba's Hillhead for the wonderful sum of £470.84, that was raised from our 'Smarty Tube' event. A copy of the receipt will be displayed on the church information boards.

Our next event is the Annual Prospects Across Scotland weekend at Tulliallan. There is usually a good number attend from our groups and we are leading the Saturday morning service this year. However before this, is the Easter Cafe and some of us will be there to welcome you as you arrive.

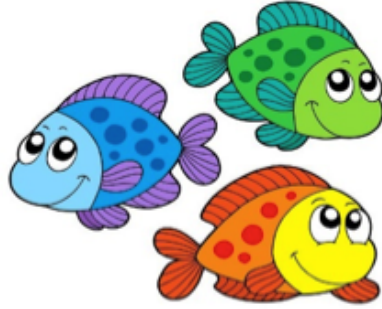

Thank you for all your prayers and love from all of us.

Church Toddler Groups

Busy Bees

Little Fishes

Little Fishes and **Busy bees** have had a lovely term. Hillhead toddler group **Busy Bees** is a welcoming group on Wednesdays between 10 and 11.30am. **Little Fishes** is at St Columba's 10-11.30 on Fridays.

We often have 40 children at Little Fishes and 30 at Busy Bees. Cassie has been doing lots of crafts and painting with the children in the small hall (quiet room) at Little Fishes and you can admire their handywork on the 'fridge' on the noticeboard. Mary has been making play-doh for the Busy bees which they have really enjoyed. Mums and dads and grandparents and the children have been enjoying toast over the winter months. Thank you so much to the teams of helpers- we know your work is appreciated by all the families and the church.

Little Fishes is drop-in during school term-time but do speak to June if you would like to be on the waiting list for Busy bees.

Details can also be found on the facebook page:

Noah's Ark Sunday Toddler Group

We have had a lovely new toddler group on Sunday mornings during the church service called '**Noah's Ark** toddler group.

It has met each week in the lower hall starting at 10.30am-11.30am then having coffee with everyone from church in the large hall. It has lots of toys and playing but also Bible stories, crafts and songs. We have been enjoying the stories of Joshua, David and Solomon and really enjoying singing too.

If you would like to come or know anyone who would like to come, then please do contact Gill for Little Fishes or Noah's Ark (Sundays) or June for Busy Bees (Wednesdays).

Details of all the groups can also be found on the Facebook page:

<https://www.facebook.com/littlefishestoddlergroup/>

Warm Welcome

'Warm Welcome' is open every Wednesday afternoon, 2 till 4pm, at the Hillhead Halls.

As well as providing a warm space for all ages and the opportunity for a chat, Kitchen Cupboard runs alongside. Kitchen Cupboard (operated by foodbank staff and volunteers) is a great resource for groceries and other items for folks who may need them.

Most recently, Christians Against Poverty also have a presence at Warm Welcome for a trial period to see if this may be of benefit to some in the community.

Warm Welcome is open to everyone! Do drop in for a cup of tea and a chat if you are passing! If you would be willing to help out on a Wednesday afternoon, with serving tea or coffee, even on an occasional basis, please speak with Philip in the first instance.

Churches Walk and Talk Group

Throughout the past two years the Walk and Talk Group has combined friendly conversation with gentle walks around Kirkintilloch, Lenzie and Waterside. The pace is suitable for all ages, most fitness levels and all are welcome. There are currently more than 20 on the WhatsApp group but there is no membership, and all are welcome for occasional or regular walks. If you would like to join us for a walk then please turn up at any of these locations on these dates and we will be delighted to see you.

The walk on the 21st of March will be outside of the local areas. On this occasion the meeting point shall be at St Columba's Car Park at 1:15pm. Please note the earlier time, and that a car sharing operation will take place. Normally, at least $\frac{3}{4}$ of our walkers arrive by car and are happy to provide transport for non-car users where required.

MAF – Oldest Pilot in a Spitfire

On Monday 5 February, 102-year old MAF co-founder and RAF veteran Jack Hemmings became the oldest British pilot to fly a Spitfire. It was a poignant moment to celebrate Jack's passion for aviation and dedication to MAF — the organisation he helped establish — on the 80th anniversary year of D-Day.

Flying multi-engine bomber aircraft including the Lockheed Hudson during World War II, it was Jack's first time inside a Spitfire — an experience he described as 'absolutely delightful'. Preparing for take-off at London Biggin Hill's Heritage Hangar with an audience of major news outlets, RAF dignitaries and MAF friends, Jack said he 'felt very pleased indeed' to be going up in Britain's best-loved World War II aircraft.

Jack used the history-making flight to honour his best man, RAF Engineer Stuart King, who was involved in the D-Day landings with 247 Fighter Squadron. Although Stuart passed away in 2020, Jack said, 'Stuart — you would have loved it!'

Jack and Stuart helped found MAF UK back in 1948, using a Miles Gemini aircraft, to perform the first British humanitarian survey of central Africa, which lasted ten months.

Now the oldest Spitfire pilot is hoping to continue raising awareness and funds for MAF, having set up a JustGiving page to celebrate his laterlife achievement. Back on the ground after enjoying three victory rolls, Jack admitted it was faster than he used to fly in the RAF, but was nonetheless 'thoroughly enjoyable'.

Galentine's Night—Mums Night Out

On the 20th of February, we held a 'Galentine's Night' for the mums that come to Little Fishes, Busy Bees, Noah's Ark, and the Friendship Club. There were over 30 in attendance and the night was well received by all.

"Galentine's Day — a day for women to celebrate their friendships with their lady friends. It's Valentine's Day with your gals. It's right there in the name."

The goal of this evening was to bring the mums of different groups together, create a sense of community within the groups, and to show the mums that they are loved and cared for by our church and by God.

The small hall was decorated in pink and white decorations and was accompanied by heart shaped foods, pink drinks, and home baking.

Special thank you to Ewan and Andrew for putting the lights and décor on the ceiling and to the ladies of Little Fishes and Busy Bees for baking, cleaning, and setting up.

Children and Families Worker

Cassie Carlsen came to Scotland to be a missionary with a refugee church in Glasgow and primarily focused on teaching English. She came for three months initially and loved it here in Glasgow. She enjoyed her time so much that she decided she wanted to stay for longer and continue on in missions work.

She told me, "Quite simply I fell in love with Scotland. I loved the people in Glasgow and loved the church I volunteered with. I came back to Scotland in order to study and continue to teach English. I completed a Graduate Degree in Speech, Language and Sociolinguistics this past year at the University of Glasgow." In America, Cassie worked organising weddings and also as a Behavioural Therapist for children with additional needs.

"I finished my master's and felt my time in Scotland was not completed. I wanted to continue in ministry here in Scotland. It was a privilege to be hired by St. Columba's Hillhead where I am able to continue in ministry. I have a heart for children, and I feel that this is a wonderful fit for me."

"My Faith is vital to me. I grew up going to church and always believed that my Faith was important to my life. At one point I had to go through a very hard, life-changing circumstance and it really tested my faith but ultimately it led me to a place where my faith became my own, not just the faith of my mother."

"I think Scotland is 'awesome' and even if the climate is sometimes challenging, Scottish people are so friendly. I have made many friends here and Scotland has become a home for me. As long as God wants me to be here, I will happily be here."
